I think it was a "Hot Cash" it was a \$2 bank of eight at Choctaw in Durant, I'm not sure if that helps you any. Would you be able to send me some of your new three reel titles so I can see if any of them sounds familiar?

Do you know what the other titles you liked were? It won't be a problem at all getting them swapped out.

Paul,

We were recently at the Choctaw Casino in Durant and I saw a few games that I liked and was wondering if we could look at getting at least the New Money three reel game here?
